Do not put this off on me, I told you that was not the way we did things. Donna told me to relay this to you directly and tell you that she said so, do not get nasty with me over it.

You can gladly take it from here.

Yes thanks Kelli, as I mentioned when I told you about it, I said that Mike asked us to do this on short notice and that I would be checking with Brazilian counsel but since it is next week and you are out again I wanted to get the documents from you. I will take care of it from here. Thanks. Enjoy your vacation!!

Jennifer

Jen,

We don't do the board doc's for companies in other countries. You told Mike we would do them, Donna wants you to speak with Brazilian counsel and confirm if that is acceptable/appropriate/legal/etc.....

I am sending Michelle the drafts for both meetings and telling her that the Brazilian minutes (they have no need for resolutions for this meeting there are no approval items).....need your further approval before use. Keep in mind she is on vacation after today so you may have to speak with Mike next week after you speak with the Brazilian counsel.

Ok. I understand now. I will take care of it. But we needed the documents from you in the event they can be done by us. My recollection from an earlier discussion is that it's fine.
What other concerns does Donna have?

Jennifer

She is not talking about the loan, she is talking about you need to check with Brazilian counsel on us doing the doc's, you need approval.

Kelli,
I know of only one loan, for which outside counsel provided the authorizations to Steve Gregory that were signed by Donna, Seki and Mike. I don't know what I would ask further? What about it seemed improper to you or Donna?

Jen,

I spoke with Donna regarding a loan approval that Michelle was questioning that she said Mike, Donna and Seki had already approved. Donna told me that she didn't know about this and to make sure that you checked with Brazilian counsel on this?

Here is a draft of the minutes. for MCPP-B...there are no approval items according to their agenda so no resolutions are necessary. I don't think this is the proper way to do this but I will defer to your decision. I am sending them out shortly because both Michelle and I are on vaca after today.

Thanks
